## Partner with AWOL

AWOL (A Work Of Love) began in 2009 and is now an annual event planned this year for the week of 25 to 28 June where up to 200 teenage campers are hosted in Empangeni.

These teens will share God's love in the community of Empangeni, Richards Bay and surrounding areas by tackling various projects/ outreaches that are organised and run by the local churches. These projects/outreaches could be long term or as long as the duration of AWOL – either way, these teens will be making a difference during the week! Over the years AWOL has brought together 1 238 volunteers, invested 21 503 hours of community service and hosted 945 willing teen campers!

AWOL partners individuals, companies, organisations and the municipality to make this event a success. We invite you to join us to make a difference. Listed below are some areas where we require assistance.
